Meeting PreK Students' Educational Needs

The Tyrrell-Washington Partnership for Children Inc. is expanding preschool programming at Tyrrell Elementary School. The 2021 Ribbon of Hope grant in Tyrrell County through the addition of an assistant teacher. The expansion would enable the service of additional PreK3 students, many of whom have experienced delays in educational and/or speech development, through hands-on and science-based activities designed to promote thinking skills, cooperation, social skills, language skills and math skills.
