

Asheville Art Museum Association INC

Connections: A Program for Adults with Memory Loss and Their Care Partners, an Asheville Art Museum Association program, will serve community-dwelling adults with mild to moderate memory loss and their care partners. The program will use grant funds to create and lead 45-minute guided gallery experiences, comprising hands-on artmaking or other multisensory/interactive activities. Monthly activities will be offered in the classroom or gallery spaces, promoting socialization and stimulating the minds of participants.
