

Catawba County Parenting Network

This 2015 Ribbon of Hope grant supported their Incredible Years Training Series, which is a comprehensive, multifaceted, and developmentally based curricula for parents and their children. This program is designed to promote emotional and social competence and to prevent, reduce, and treat aggression and emotional problems in children ages 2-8 years old. The program works to increase parent's ability to maintain healthy relationships with their children. The program was implemented in a high-need area to support families with parenting education. However, the nonprofit lost it's general operating funding and had to close it's doors. The unused funds were returned.
