"Why Try" Resilience Program

A 2017 Ribbon of Hope grant to Communities In Schools of Robeson County was provided to implement the “Why Try” Resilience Program in seven schools as part of CIS's greater goal of reducing the dropout rate. The program will be used as a small group support for an estimated 420 case-managed students, and training will be provided to all staff at the seven schools to use in the classroom and as a whole-school support.
