

Lenoir-Greene County Partnership For Children

The 2021 Ribbon of Hope grant will support creation of a *StoryWalk* in Greene County and update the existing *StoryWalk* in Lenoir County. *StoryWalks* present books through individual pages posted on boards lining the sidewalk of local parks. Grant funds will be used to serve residents of Greene, Lenoir, and surrounding counties through these interactive literacy experiences that promote literacy development, family engagement, and physical activity at local parks.
